## Collector's Choice

Preview Reception- Sunday, September 10, 2017

Drawing Reception- Sunday, September 24, 2017

The ticket Drawing takes place at 2 PM

**A special fundraising event in which all ticket holders take home a beautiful work of art**

### How does it work?

- \*Talented artists donate works of art that a collector would be eager to acquire.
- \*These works will be available for viewing through the month of September, Tuesday through Sunday 1-4 PM in the studio (we recommend you make a list of your favorites).
- \***ON September 24** a drawing will be held and the owner of each numbered ticket will choose the piece of his/her choice. The drawing continues with the next ticket and a selection from the remaining items. The drawing is complete when all tickets have been drawn.

### You can Help:

- \* By donating a piece of original art in any medium (framed and in good condition) with a minimal value of \$200. Donate a piece of art you are proud of, this is a great opportunity to showcase your talents. Since space and size is limited, paintings will be screened for suitability by the guild. Work will be accepted August 29, 30, & 31 1-4 PM. To make arrangements contact Geri Ambrose at 732.240.5924 or call the guild at 732.270.3111. The work will be photographed for the website when permission is given.

### Purchasing tickets for Collector's Choice Art Sale

- \* A limited number of tickets will be available for sale beginning September 5. The price is \$75 each...(a great gift idea) Tell your friends and collectors that is a great opportunity to obtain original art from talented artists at a bargain price. Every ticket holder will go home with a valuable piece of fine art.
